Stacey Hamilton, LUSC Past President

Safety Update

Key Resources for Coaches:

1) LUSC COVID-19 page at www.lexingtonunitedsoccer.org

- Players and coaches must be in good health
- Players, coaches and spectators will limit contact
- Players, coaches and spectators will wear masks
- Safety practices continue post-session

2) Mass Youth Soccer [COVID-19 Hub](#)

NOTE: In-game rules changes are no longer in effect; traditional rules of play apply

3) Mass Youth Soccer [Coaches Toolkit](#)

Safety Update

Players and coaches must be in good health

- A player shall have no signs or symptoms of COVID-19 in the past 14 days and have not been exposed to someone that has been ill in 14 days.
- A parent or guardian must complete the TeamSnap Healthcheck prior to every practice, game or other soccer activity. Cannot participate until it is done. Require and remind!
 - **NOTE:** Travel Order has been downgraded to an Advisory as of 3/22
- If the player has any signs or symptoms of COVID-19 during any activity – PULL & SEND HOME IMMEDIATELY
- A negative COVID test for a player is NOT clearance to play if they have shown or experienced any signs or symptoms of COVID-19. The player must have a doctor's note if they have shown or experienced any signs or symptoms of COVID-19 and provide it to the Registrar in advance of their return.
- Parents must notify the team Coach and the LUSC COVID Safety Officer (safety@lexingtonunited.org) if their player has a known case of COVID, is exposed to a known case of COVID, or they are otherwise notified by any school or town health employee that they are subject to any type of COVID restriction on their activity.

Safety Update

Players, coaches and spectators will limit contact

- Players should not arrive more than 5 minutes before their session. There are 20 minutes between activities to allow for distanced arrival and dismissal.
- Carpooling discouraged but if it occurs, wear masks and keep windows open.
- Each player must have their own water bottle, snack if desired, face mask and personal hygiene products (hand sanitizer, facial tissues, etc). No sharing of any of these items.
- Each player needs a personal sideline space for breaks & gear, 6-8 ft back from others and the sideline. Help players get organized upon arrival.
- Parents and spectators should not enter the playing field at any time, and must always maintain 6 feet from all designated player personal spaces.
- **New Spring 2021:** Each player is now limited to TWO spectators, not just one, unless local rules more restrictive. Consult with opposing coach in advance if you are away.

Safety Update

Players, coaches and spectators will wear masks

- Players are required to wear face coverings and maintain distance when arriving and leaving any LUSC activity.
- Only face coverings that secure with loops around a player's ears are acceptable. Players may not use gaiters, tie-back masks, mesh masks, masks with valves or face shields, per MYSA.
- Face masks must be worn when a player steps onto the playing field. During play when spacing is greater than 6 feet from another player a "mask break" to catch their breath may be taken. The default expectation is that face coverings will be worn.
- Players must wear a face mask at all times on the sidelines or in any huddles except when 6 feet or more from anyone for a "mask break" to catch their breath, drink, or eat.
- Coaches, COVID Coordinators and spectators must wear a face covering AND maintain 6 feet of physical distance at all times.

Safety Update

Safety practices continue post-session

- Only Coaches handle cones & equipment – no help from players, parents, spectators.
- All waste/trash must be placed in trash receptacles by the respective player, coach, parent or spectator.
- Players and families should leave the training facility as soon as possible after the end of their training session. No recreational play, shooting on goal, or congregating on the sidelines or in the parking lots.
- Parents should be told to set up a separate time for a phone call, instead of approaching coaches before or after practices & games.

Why Kids Play

PLAY
is the work of childhood
Mr. Rogers

Why Kids Play

1. It's Fun!
2. To be with their Friends
3. Parents sign them up

The opportunity to compete is far more important than the result of the competition.

- Tracking attendance of players (keep a log throughout the season)
- Enforce social distancing of spectators
- Enforce mask policy, worn at all times!

All teams MUST have a Covid-19 Coordinator

Dual Field

- ~~• Each team will have a home field to meet at where they will run their activities each week. Example Team A meets at Field A, Team B meets at Field B etc.~~
- If team A is scheduled to play team B, they will do so on both fields.
- **The area between the two fields is the designated coaching area** with the opposite side of the field being reserved for spectators.
- The coaching area allows the coach & players their own space and helps the players separate from their parents which is an important part of the developmental process.

Continued from the fall

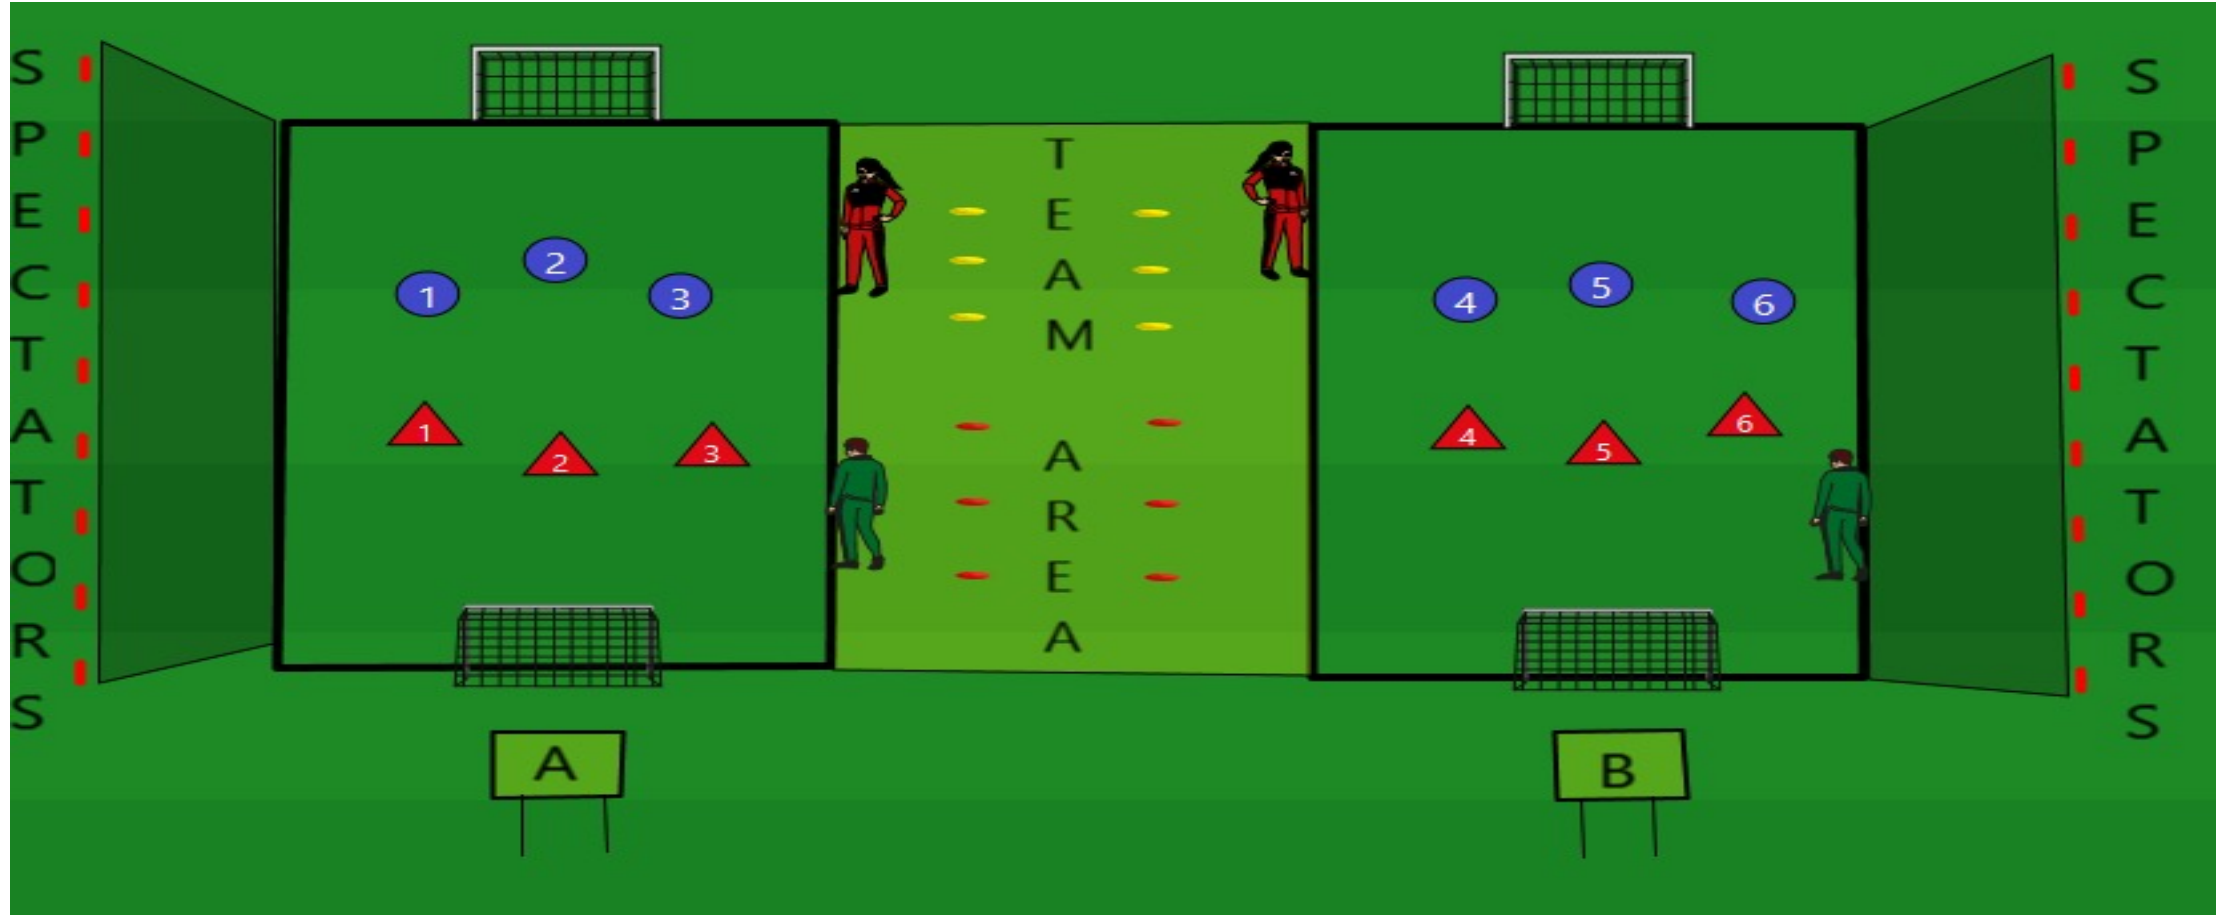

Each team will be assigned a field to meet at where they will run their activities. The team they will be competing against will be assigned the field next to them.

The players should remain on the same field throughout the game segment and not flip from field to field.

Kindergarten 3v3 Dual Field

Kindergarten Rules

- **The Game is 3v3!** Please do NOT add players into the game.
- Kick ins or dribble ins (no throw ins)
- Scoring team drops to their own half of field after a goal is scored
- No Corner Kick's- ball over the end-line is always re-entered by the defensive team
- **3 Goal Margin Rule-** team trailing by a 3 goal differential can add a 4th player
- No Scores are kept!
- No Standings are kept!

1st Grade Format

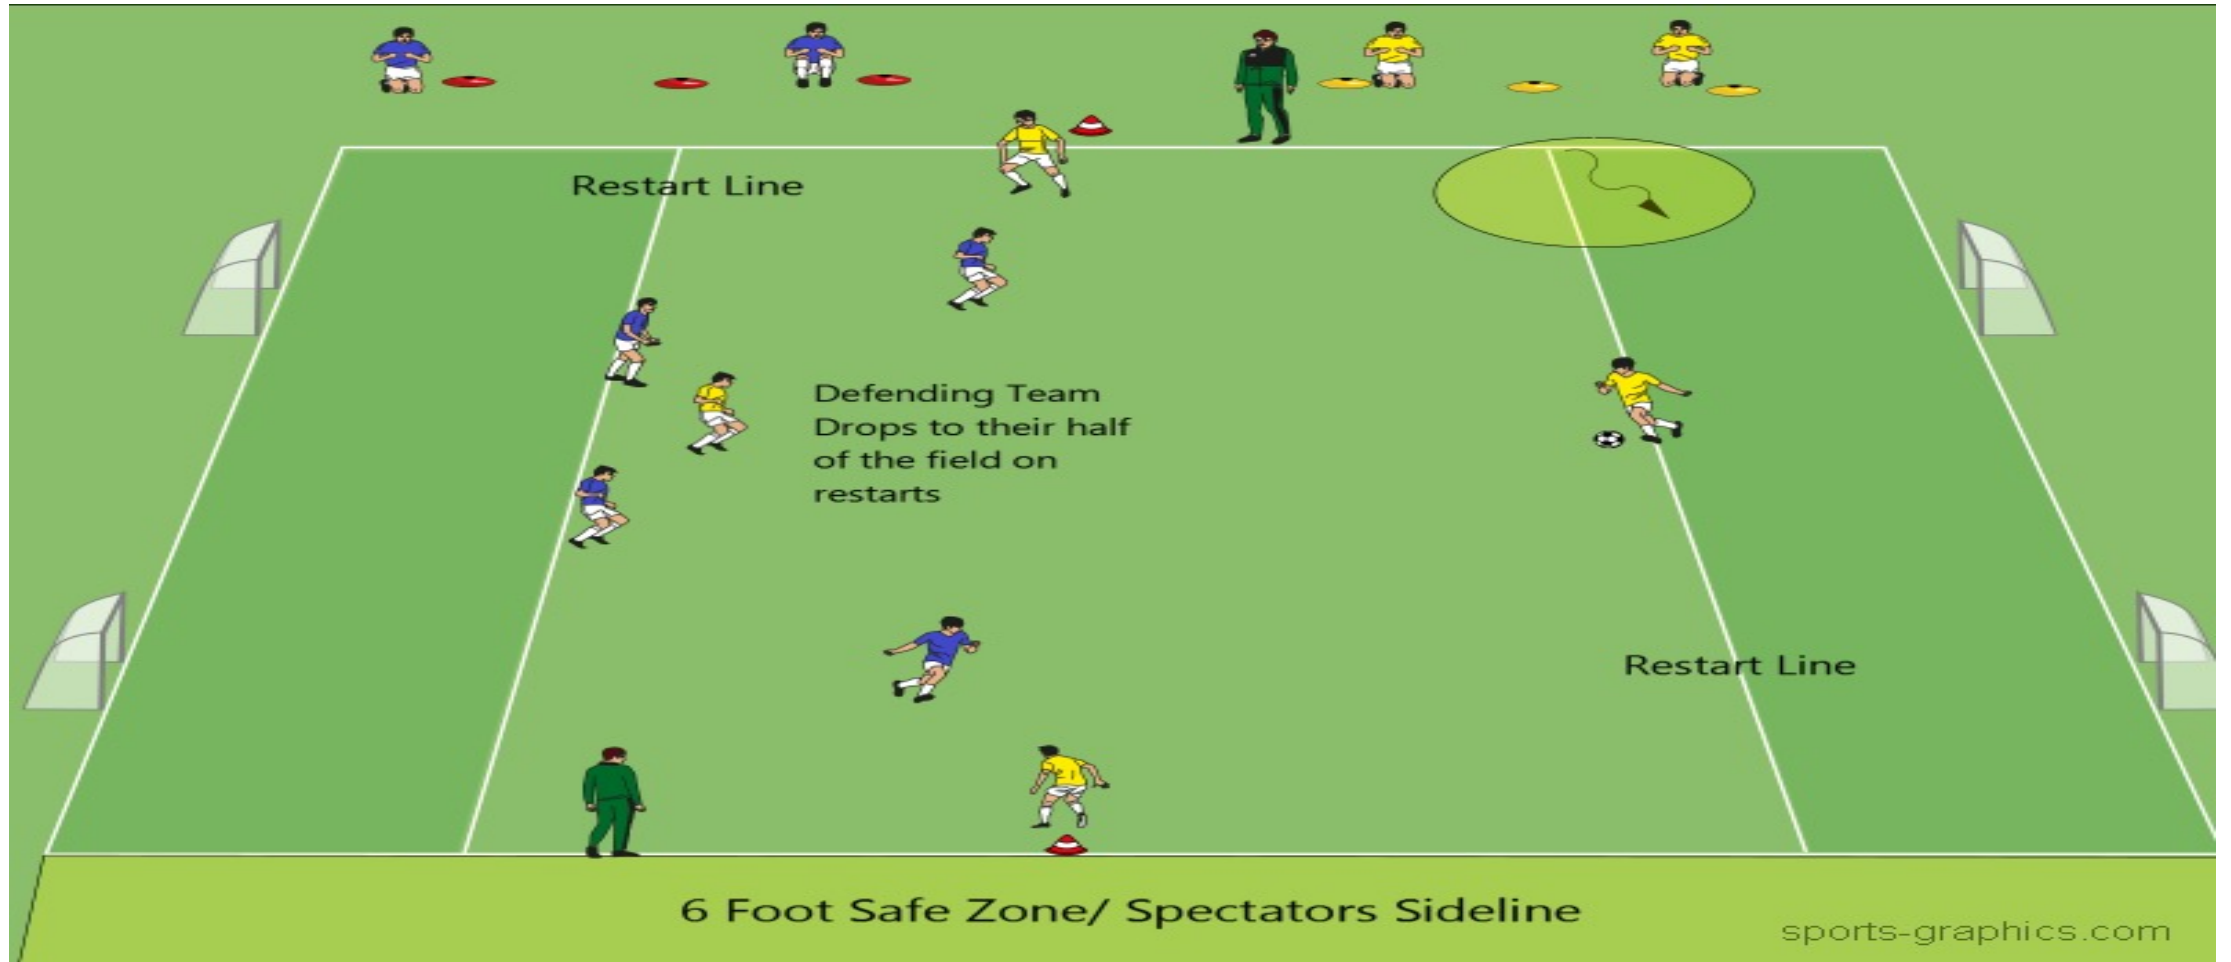

Why 3v3 to 4 Goals

- The 3v3 to 4 goals format is one of the best exercises for players to learn to “read the game” and make decisions without coaches telling them what to do.
- In 3v3 the defense cannot defend both goals equally. This should, in time, teach the players to recognize the 2v1 situation and which goal is the best one to attack.

2nd Grade Format

Sample Activity

The Game: Players dribble throughout the inner grid. The coach can use this free dribble segment to offer several options. When the coach yells:

- **Turn-** players must change direction
- **Ball Taps-** players must perform toe taps on the ball
- **Foundation-** the players must pass the ball back and forth between their legs
- **Change-** step on your ball, move quickly to another ball and continue to dribble

*Progress to **Spiderman***

Layering allows the coach to control the tempo and provides an opportunity for brief moments of rest and refocus for the players

Foundational Skills

Things kids can learn:

1. Stopping and Starting
2. Changing direction at different angles
3. Using both feet
4. Pulling the ball back with the sole of the foot
5. Cutting and turning with the ball

Final Thoughts

Can the Lessons of *Blue's Clues* Make you a Better Coach?

Coach Like Steve- Pose Question

Guided Discovery

“A great pianist doesn’t run around the piano or do push ups with the tips of his fingers. To be great, he plays the piano. He plays all his life and being a great footballer is not about running, push-ups or physical work generally. The best way to be a great footballer is to play football”

A group of soccer coaches and players posing on a field. The coaches are standing in the back row, and the players are kneeling or sitting in the front rows. They are wearing yellow jerseys with "LEXINGTON IN-TOWN SOCCER" printed on them. A soccer ball is on the ground in front of the players. The background shows a grassy field with trees and other people in the distance.
