COVID-19 Testing Clinics

In an effort to curb the spread of COVID-19, the Towns of Lexington and Belmont are partnering to offer <u>free COVID-19 PCR testing</u> following Halloween. There will be two upcoming testing events, and both dates and locations are open to residents of Lexington and Belmont.

PhysicianOne Urgent Care will be providing the testing. You will need to set up an account on their website to register for a COVID-19 test, and to view your test results.

Walk-ins will be minimally accepted <u>only</u> at the Belmont location in the first few hours, so it is highly recommended that you register in advance.

Register for a COVID-19 test on either November 4th or November 6th here:
[Registration Link](#)

Proof of residency required at appointment.

• **Thursday, November 4 from 4:00-7:00 PM**
173 Bedford Street, Lexington (Drive through, appointment required)

• **Saturday, November 6 from 9:00 AM – 2:00 PM**
Chenery Middle School, 95 Washington St., Belmont (indoor testing, appointment highly recommended)
